IS THERE A PROBLEM? — First phase of the redesigned public parking lot on Wheeler Avenue, Arcadia, has been completed and is in use. However, one city councilman, Charles Gilb, is worried because there is no interior circulation. Planters the length of each bay preclude moving from one bay to the next without exiting either on the alley or onto Wheeler Avenue to get into the next bay. He's afraid this may be dangerous. City Manager Lyle Alberg says, "After it's finished we'll have to see what people do and how to accommodate them. We might be able to sacrifice some interior parking spaces to allow cars to move in an east-west direction through the lot." Second phase should be completed about April 22.

Queen City: all diamonds

While the Wright brothers were preparing for the first powered airplane flight in history at Kitty Hawk, N.C., significant history was in the making in Arcadia, Calif. The year was 1903.

A close look at 1978 reveals that Arcadia is about to cefebrate 1903, the year of its incorporation, with fanfare befitting a 75th birthday. Susan Cameron of Arcadia High School has designed a special logo.

In January the Arcadia City Council issued a resolution designating the weekend of Sept. 29-30, as the official time for community observance of the City's Diamond Jubilee birthday.

The resolution names the Arcadia Chamber of Commerce as the official agency for organizing, coordinating and presenting the Jubilee celebration. The general chairman is James R. Helms, Jr., president-elect of the chamber.

Helms describes the Diamond Jubilee as both a commemoration of an historical event in the history of the city and an historic event in its own right.

"We want to plan the finest celebration possible for our community. Towards this end we are requesting the ideas and help of residents, local organizations, businesses and business associations now, in our early stages of planning," says Helms.

Those wishing to volunteer their ideas and help are asked to write or call the Arcadia Chamber of Commerce, 388 W. Huntington Drive, 447-2159, during the coming month.

The chairman has provided the following description of preliminary plans.

"We anticipate opening the Sept. 29 weekend with a community mixer at Santa Anita Park. A homecoming game is scheduled for that Friday evening, complete with traditional float building projects amplified to make them useable in a parade the next morning. Homecoming dances will follow the game.

The Arboretum will provide an historical backdrop for all who gather at an early morning breakfast on Saturday, Sept. 30.

"The culminating event will be a gala ball at Santa Anita Turf Club on Saturday evening. During the preceding week tennis and golf tournaments will take place."

The Diamond Jubilee committee chairmen and their areas of responsibility are: Steve Lloyd and Caye Wells, Alumni Homecoming; Frank Simerly, Arboretum; Jack Saelid, Budget and Finance; Floretta Lauber, Community Coordinating; Charles Neuberg, Controller; Marguerite Towsley, Dance; and Ruth Gilb, Fiesta.

Others are: Charles Gilb, Grand Marshals and VIP; Richard Miller and Hal Roach, Historicals; Gary Dorn, Homeowners; Neal Johnson, Judging, Prizes and Awards; Rick Bundy, Merchants; Kel Mason, Parade; Carol Papay and Marilyn Daleo, Publicity; George Watts and Elbert Souders, Staff Coordination; Jerry Collins, Tournaments and Sports. Carla Maggio is a special assistant for the jubilee.

Walk raises $71,326

In spite of the rain which deterred many potential participants, Arcadia's recent Jog-A-Walk-A-Torium to raise funds for a civic auditorium was an unqualified success.

A total of $71,326.06 in ledges has been received by the Arcadia Auditorium Foundation, Charles E. Gilb, foundation chairman, has announced.

Of the total, $42,068.23 was for laps run or walked around the makeshift quarter-mile track on Campus Drive adjacent to the high school. Another $29,2577.83 was raised in flat-rate pledges.

Bills to sponsors went into the mail Monday and Gilb said he hoped sponsors would sent their checks in as soon as possible. The Los Angeles Turf Club has pledged a sum equal to 10 percent of all the cash raised in the initial event.

From track suit and jogging outfit to long dress and black tie seems a big jump.

However elegance will be the theme of the next fund-raising event for the auditorium.

Six hundred of the best seats in the San Gabriel Civic Auditorium will be reserved for a first night audience attending "Fiddler on the Roof," the 1978 musical production of the drama department at Arcadia High School.

Tickets at $12.50 each will include parking, a reserved seat for the May 3 performance, and admission to the after-performance reception on the stage. All proceeds above the regular cost of the tickets will go to the Arcadia Auditorium Foundation.

Tickets will go on sale April 10 and can be purchased by telephoning 446-0131, extension 256, or 446-8197.

A special discount coupon for those planning to rent tuxedos will be sent to ticket buyers.

General chairmen of the black tie opening are Al Coke and Steve Lloyd. Planning the reception are Marguerite Towsley and Claire Arth. Other committee members include Dr. Richard Cordano, Ernest Herrington, Tom Payne, Jeanne Saunders and Priscilla Sibson.
